

Each of our specialist team are highly skilled; their expertise, professionalism and reliability guarantee's we deliver exceptional service, first time, every time. We offer a range of Healthcare services to a diverse range of clients.

AHP Healthcare provide staffing solutions to some of the largest healthcare organisations in the UK. Our team of skilled professionals deliver recruitment and accredited in-house training, ensuring we are able to offer a full range of services to our clients. It is due to this professionalism and commitment; team have won awards such as:

- Best branch in Southern region
- Best branch nationally
- Brand ambassadors.

All our candidates are interviewed face to face or via Skype and must meet our very rigorous compliance procedure that includes UK experience, Enhanced DBS, minimum 17 mandatory trainings, references, development (NVQ level 2/3/5). They are then meticulously matched with the client's needs. Our compliance team pride themselves by achieving 100% marks on every audit.

We pride ourselves with our ongoing and further training.

Our professional and dedicated team delivers excellent service whether it be temp, temp to perm or permanent, part time or full time 24/7, 365 days a year. Why not contact us on 033 0995 0049 to further discuss your needs.
